

DISCOVERY DAY 2010

Class Descriptions

CANDY SUSHI ART - Mrs. Rae Lynn Jensen

Come have some fun with Mrs. Jensen and become a Candy Sushi Master! Mrs. Jensen will read a story and then together Mrs. Jensen will show you how to put together different types of sushi using candy and cereal.

ARTS & CRAFTS – FUN WITH FOAM – Mrs. Tricia Acevedo

Have fun making foam plants, frames, photo album and pen cups.

BASKETBALL CLINIC – Mr. Yamamoto

Through this basketball clinic, students will have the opportunity to polish their game! Skills, drills, free-throw competition and more.

CAKE DECORATING – Mrs. Francesca Colombo

Decorate your very own cake and learn various frosting and decorating techniques that make your cake look like it was just bought from a bakery!

COSTUME MAKEUP – Mrs. Carolyn Simon

This fun and popular class will teach students to re-create cuts and bruises and other movie makeup secrets from a professional makeup artist.

FLOWER ARRANGING – Mrs. Helen Castillo & Mrs. Monique Francis

Always a favorite! Students will be able to create their own professional floral arrangements to take home and enjoy.

GYMNASTICS – Ms. Soda Persi, Payke Gymnastics

Students will get to tumble, roll and flip in this fun gymnastics class.

HIP HOP DANCE

Come learn the latest hip dance moves and dance like a pop star. This fun class fills up fast.

GAME TRUCK

This is a complete video game party brought to you. Enjoy the most popular multiplayer video games. There is a Game Coach if you need one.

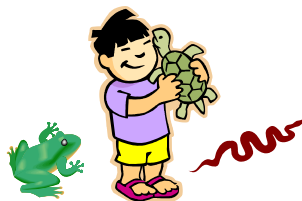

CATZ – Competitive Athlete Training Zone

Who wants to have fun? Play time and a workout session combined in one! A class designed to help you get fit by using fun activities and games while teaching techniques that are helpful in all sports.

MODEL CAR MAKING – Mr. John Cina

Students will be able to assemble their very own miniature model car or airplane.

REPTILES/ANIMALS – Valentine's Travelling Zoo

Students will be able to have a hands-on experience with Lizards, Turtles, Snakes, Frogs -- and Bugs, too!

ROCK CLIMBING – UC Riverside Rock Wall

Back for another year, students in this class will challenge themselves by being harnessed and attempting to climb a 25' tall rock wall. **A WAIVER OF LIABILITY MUST BE SIGNED BY PARENTS IN ORDER TO PARTICIPATE IN THIS CLASS.**

LEE SHIN TAE KWON DO

Tae Kwon Do is the Korean system of self-defense and one of the most popular systems of martial arts in the world. It is known for the power of utilizing the entire body, especially kicking and hand techniques.

FASHION DESIGN – Mrs. Michelle Stoltz

Students will learn the basics of putting together a small group of clothing. They will be able to choose their colors, sketch their designs and use fabrics and trims to make it all come together.

SCULPTING / MODELING – Ms. Connie Berg

Unleash your creative side! Using their hands to manipulate the clay, students will learn to create their own unique masterpiece.

CHEERLEADING – Sharp International

Students will learn how to improve their cheerleading and drum line skills while learning the importance of choreography, conditioning and technique.
